Do not forget

- The competitor is allowed to have a **second** attempt during qualification round of a competition, if the first attempt was terminated, and he/she didn't clip the first quickdraw after the preclipped one
- First attempts are better qualified than 2nd attempts

Do not forget

Technical Incidents: To be decided immediately whether to restart or rest → Main judge will decide resting time (on benefit of athlete).

Eli jos esimerkiksi kiipeilijä aloittaa kiipeämää reittiä, mutta tuomari kutsuisi kiipeilijän alas esimerkiksi sotkeentuneen jatkon vuoksi, voi kiipeilijä päättää haluaako kiivetä heti uudestaan (kun ongelma on korjattu) vai haluaako hän levätä ennen uutta yritystä.
